# ABOUT US

Metro is a pharmaceutical packaging solutions provider serving both local and international clients, with over 64 years of industry experience. We combine our business resources and technical proficiency to gain a deep understanding of your packaging issues, offering tailor-made solutions with a strong dedication to process excellence and quality. Backed by internationally recognized quality certifications, we ensure every product meets the highest standards of safety and compliance. By embracing innovation and investing in the latest printing and packaging technologies, Metro has solidified its position as a trusted strategic partner for numerous clients, both locally and globally.

# VISION

To be a globally recognized leader in pharmaceutical packaging solutions, setting the benchmark for innovation, sustainability, and excellence. We envision a future where our commitment to quality, compliance, and customer-centric solutions not only supports the pharmaceutical industry but also contributes to global health and safety. By fostering long-term partnerships and leveraging our technical expertise, we strive to become the most trusted name in packaging solutions.

# MISSION

**At Metro, our mission is to deliver world-class pharmaceutical packaging solutions that meet and exceed the expectations of our clients and stakeholders. By combining over six decades of industry expertise with cutting-edge technology, we aim to:**

- Develop tailored packaging solutions that address the unique needs of each client, ensuring the safety and integrity of their products.
- Uphold the highest standards of quality, environmental responsibility, and operational excellence through adherence to international regulations and standards.
- Foster a culture of continuous improvement, innovation, and employee development to drive sustainable growth and resilience.
- Build lasting relationships with clients by consistently delivering value, reliability, and unparalleled customer service.
- Contribute to global health initiatives by ensuring the safe and efficient delivery of pharmaceutical products to communities worldwide.

**By staying true to our mission, we aim to empower the pharmaceutical industry and enhance the well-being of individuals and societies through safe, reliable, and sustainable packaging solutions.**

# SERVICES - PACKAGING

We provide high-quality printed packaging solutions, including folding cartons and pharmaceutical leaflets, designed to meet the highest industry standards for precision, functionality, and product safety.

## Pharmaceutical Boxes

We specialize in printing and producing high-quality folding cartons, ideal for pharmaceutical packaging. Designed with precision and clarity, they ensure effective information display, functional design, and product safety.

## Pharmaceutical Insert

Pharmaceutical leaflets are essential for conveying usage, dosage, risks, and legal details, making their quality a critical part of packaging.

# BEYOND PACKAGING

At Metro, we go beyond traditional packaging by offering specialized services designed to meet your evolving needs:

- In House Design
- New Product Development Advisory
- Braille Imposing

Also, we combine technical expertise with modern technology to deliver seamless service experiences, such as our client portal:

- ERP Client Portal

To enhance transparency and efficiency, Metro offers clients access to a robust and user friendly ERP system. This platform allows you to seamlessly track orders from purchase order receipt to final delivery, with full visibility into information, data, and order history, ensuring clarity, efficiency, and peace of mind at every step.

# QUALITY & COMPLIANCE

At Metro , we believe that excellence, safety, and sustainability are not just goals, they are standards we live by. Our commitment has been recognized through several internationally accredited certifications, positioning us as a trusted leader in the printing and packaging industry.
